

Copper Pieces - 90

Silver Pieces - 72

Heroes of Feonora

# Town Treasury

# Heroes of Feonora

Throughout the land of Feonora (land with the rarest of exceptions) one Silver piece is equal to five Copper pieces. Although, visitors have often marveled at how Copper remains universally preferred over Silver, which Giliad the Traveler has noted may have something to do with a select group of trendsetting celebrities...

Coin Tip: Print on thick paper and gluestick the pieces back-to-back

Bonus  
Figurines

*This is what happens when game designers try to make their own artwork. Have something that would be a better fit? There's plenty of room left for one or two pieces of donated artwork.*
